

Playdough Lion

Supplies

- Orange, yellow and black playdough
- Googly eyes
- Pipe cleaners – orange, yellow and black
- Medium black pom pom
- Black beads
- Scissors
- Small play dough rolling pin (optional)

Directions

Pull apart 2 small pieces of yellow playdough about the size of a grape and set aside.

Roll the remaining yellow playdough into a large circle. This will be the lion's head.

For the ears, flatten the 2 smaller pieces of yellow playdough and attach it to the top of the head. To make the inner ears, pull apart 2 small pieces of the orange playdough (about the size of a marble) and flatten out. Place inside each ear.

Add 2 googly eyes and a black pom pom for the nose. If you do not have a black pom pom, use a small amount of the black playdough to shape into a nose and place on the lion's face.

Add 3 black beads on each side of the nose. Or, you can use the black playdough and roll it into six miniature balls.

For the lion's mouth, use scissors to cut 2 small pieces from a black pipe cleaner. Place one of the pieces going straight down from the nose to the chin. Curve the second piece and place it directly under the first piece.

Cut out six pieces of yellow and orange pipe cleaners (12 pieces total). Bend each piece in half and gently insert all around the diameter of the lions head.

Static Electricity Prayer

Supplies

- Small pieces of tissue paper
- Pens
- A balloon

Directions

Ask children who or what they would like to pray for and then ask them to write or draw on their tissue piece.

Take turns to rub the balloon on their own hair. This will build up some static on the balloon!

Talk about giving our prayers to God and asking Him to show his power in each situation. Children can hold their tissue prayer close to the balloon and watch as it is pulled onto the balloon and sticks there. Pray that, as the paper sticks to the balloon, God will hold all of our prayers and that we will see his power at work.
